NEW PLAYGROUND EQUIPMENT INSTALLED AT MEMORIAL PARK

ROCKPORT, TX – The Parks and Leisure Services Department has installed two sets of Expression Swing™ in the children’s playground at Memorial Park, located at the intersection of Pearl St/FM 2165 and Enterprise Road. Developed in 2015, Expression Swing™ is the industry’s first playground swing that promotes intergenerational play as adults and children swing together.

“What we really liked about this equipment is that it allows a parent and child, or grandparent and child, to interact with each other face-to-face,” noted Parks Director Rick Martinez. “Although it is relatively new, we’ve witnessed its popularity in larger markets and wanted to bring it to Rockport.”
