Nestled within a 12-acre, live oak forest, the Community Aquatic Center and Skate Park is open year around for the enjoyment of residents and visitors of Aransas County.

The park houses an 8-lane, heated, 25-yard pool and diving area; a zero-depth entry children's pool with slides and sprays; a bathhouse; snack bar; and a 6,000 square foot modular skate park. Adjacent to the Aquatic Center and Skate Park is a picnic area and playground, which is accessible to the Tule Hike and Bike Trail.

Arrangements can be made to rent one or both pools, a portion of the deck, or the skate park for private parties. Please contact the pool office for pricing and additional information.

This facility is collectively funded by the City of Rockport, Town of Fulton, Aransas County, and Friends of the Pool, a nonprofit organization. It is managed by the City of Rockport.
