WEATHER AND FLOODING ALERTS FOR ROCKPORT AREA

ROCKPORT, TX – The City of Rockport is participating in regular briefings with the National Weather Service during the current heavy rain event. A total of 8-10 inches of rain is expected in the Rockport area by Friday, causing localized flooding. Flooding will be compounded around afternoon high tides on Wednesday at 1:15, Thursday at 1:58, and Friday at 2:45. The City of Rockport urges everyone to heed weather advisories and to turn around, don't drown!
